(Incorporating General Rule 14)

See also the conditions specific to each discipline

General

- 1 All competitions shall be promoted on behalf of the Management committee by the Secretary of the appropriate committee or by a person authorised by the appropriate committee.
- 2 All competitions shall be conducted upon dates and at venues to be agreed by the relevant sectional committee.
3. All events shall be held in the order printed in the programme, unless amendment is required for the purpose of correcting administrative errors of fact.

Eligibility

- 4 All competitors must be registered in accordance with ASA Law in the name of the club for which they are entered.
- 5 Competitors shall qualify for Surrey competitions by membership of a club that is affiliated to the County Association.
- 6 Eligibility to compete shall be as set out in rule 5 above except that persons who have taken part in the County Championships of any other county in the current calendar year shall not be eligible.

The Management Committee shall have the power to grant dispensation to compete in the County Championships in exceptional circumstances.

- 7 When a person is a member of more than one Surrey club, he/she may only compete in the name of the Surrey club with which he/she has the longest current unbroken membership i.e. the first Surrey club of their ASA Registration in the relevant discipline.
- 8 A person entered in a Surrey competition in the name of one club may not be entered in the name of another club in the same discipline.

Entries:

- 9 Entries shall be made on the official forms and must reach the promoter, accompanied by the fee, by the date specified.
- 10 The entry fees shall be proposed by the Sectional Committee, approved by the Management Committee, and shall be stated on the entry forms.
