

### **National County Team Championship 2006**

Despite the changes in the region Surrey County Swimming continues to thrive. Though the County is split for development and regional events, the swimmers from many of the Surrey clubs were selected to swim in the Inter-Counties in Sheffield on October. The team was in good spirits and this was born out in some fantastic PB's by the majority of the swimmers. Overall we came 16<sup>th</sup> in Division 1. Not our best placing but with the number of personal bests achieved probably one of the happiest teams!

My thanks to Will and Danne Collins for team managing, Steve and Jane Cook for their chaperoning and officiating at the gala.

Congratulations to the team which was made up from 8 different clubs:

Ralph Anstis Epsom District, Sam Crowther Croydon Amphibians, Adenais Vachon Farnham, Chloe Hammond –Smith, Chermain Snell, Liberty Hutchings, Emily Bottle, Clare Baranowski, James Eden, Nick Blyth, Tom Kennedy & Micheal Johnson Haslemere
